2015 Corning Optical Communications
CAH Connections℠ Gold Program Confirmation

01/20/2015

Rick Hsu
CP Technologies
17110 Armstrong Ave
Irvine, CA 92614-5718

Dear Rick,

We would like to congratulate ***CP Technologies*** on being a member of the Corning Optical Communications Cable Assembly House (CAH) Connections℠ Gold Program for the year 2015.

The exclusive Corning Optical Communications CAH Connections℠ Program Gold level is reserved for top tier manufacturers known for their commitment to outstanding quality and industry leadership. Having undergone rigorous Corning process training and evaluation, Gold level companies share Corning's dedication to quality, technology and innovation by consistently manufacturing products of superior performance.

CORNING

CAH Connections℠ Gold Program

Patch cords manufactured by Corning Optical Communications and by member companies of the CAH Connections℠ Gold Program are included in the Corning Optical Communications LANscape™ Extended Warranty Program℠ which provides a 25-year project warranty.

We at Corning applaud ***CP Technologies*** in achieving membership in the CAH Connections℠ Gold Program.

Sincerely,

David Moser
